Parking

We are very lucky to have a large number of parking spaces and a good amount of space for parents to drop off and collect at the beginning and end of the day. Please use the space we have and be patient at busy times.

We have excellent relationships with the residents who live close to school. Could we please ask that you do not park on the yellow zig zag lines on the road or park in front of driveways. Also, please be aware that local residents could be leaving or arriving at the same time and we ask that you drive carefully to ensure that everyone remains safe.

Thank you for your cooperation.

Cross country

Good luck to our cross country team who will be representing the school next Friday. They will be competing against 25 other schools over a 2km course.

Anti-bullying week

Next week is anti-bullying week and the theme this year is 'MAKE A NOISE ABOUT BULLYING'. The children will be learning about what bullying is and what they can do if they find themselves or a friend in a difficult situation. If you would like further information please click on the link below:
