Festival of Friends

During the year a group of children, lead by Ms Antonucci, have been attending a club they have named UCOMP—United Children of Military Parents. This has been part of a national initiative call Festival of Friends. This was created to support children who come from military families and help them through many challenges they may face, such as moving between schools or separation between deployed family members.

On Thursday 6th June three of our members travelled to Bishop Grosseteste University to take part in a celebration of the work they have done this year. They joined with 26 other schools from Lincolnshire, taking part in a range of activities: learning to juggle, a tour of the University campus and a presentation by members of the Red Arrows team. The day ended with a presentation ceremony and the children being awarded a glass trophy for to mark the work they have done throughout the year.

A final thought ... solidarity

When we value each other and work together it makes things easier.

We get things done faster and we realise that everyone's contribution is important.

Have a great weekend.
