Welcome back to the final half term of the year. We have a busy few weeks ahead of us so please make sure that you make a note of the upcoming activities and events.

In school this week we have been reminding the children that it is important to look smart in their school uniforms and to take pride in their appearance. The whole team have been impressed with how well the children do this and how smart they look. If you require any support with school uniform, please speak to any member of staff and they will be able to support you.

Sun Safe

Although it doesn't seem like it this week, we are heading into the summer and hopefully some great weather. Could we ask that you help us to keep the children safe in the sun by:

- Applying sunscreen in the morning before the children come to school
- Providing a hat for your child to wear while outside
- Providing a refillable water bottle to ensure your child stays hydrated throughout the day

On very hot days we will limit the amount of time that the children are outside and encourage them to use the shaded areas.
